Sir John Willison,

"The News",

Toronto.

My dear Sir John:

Many thanks for your letter containing the clipping about the military Kikiyoyo. I should judge that the number of cases of complaint might be not as great as it would seem on the surface.

Yours sincerely,

President.

Sir John Millison,

Toronto.

My dear Sir John:

I have this morning your letter on behalf of Mr. G. B. Balfour. My military advisers who have canvassed the whole situation are of opinion that there is another gentleman who has prior claims to those of Mr. Balfour for appointment in the University Battery, so I think it is altogether unlikely Mr. Balfour will not be appointed.

Yours sincerely,

President.
